MAJORITY FOR BURLEY POOL

One Hundred and One Thousand Acres Pledged

Growers Decide Agreement Shall Stand.

Books Will Remain Open Twenty Days.

STATEMENT FROM MR. LEBUS.

Winchester, Ky., Sept. 30.—(Special.)—Reports from the Burley tobacco section made to-day show that 101,238 acres have been pooled and 94,183 acres are not pooled, according to the terms of the pooling pledge. The matter as to whether the pool should stand was decided to-day. By a large majority the growers in the pool voted it should stand. It was also decided that instead of closing the books today they should remain open for twenty days longer. The Clark county growers voted to urge the district committee to declare the pool off at the end of that time unless there should be a substantial increase in the amount pooled. The district committee will meet here to-morrow to officially declare the result of to-day's election.

POOL WILL STAND.

President Lebus Issues Official Statement At Lexington. Lexington, Ky., Sept. 30.—(Special.)—Although only 12,238 acres of tobacco have been pooled, while 94,183 acres remain unpooled, which is considerably short of the 30 per cent. on which it had been announced the Burley society's pool would be based, so encouraging has been the work of pooling within the past few weeks that the district committee at Winchester, which is the executive board of the Burley society at a meeting held here to-day made a formal declaration that the pool would stand, but stated that the pooling would be continued until October 20, instead of closing to-day as had been originally announced.

At the conclusion of the meeting the president gave out the following official statement, copies of which were mailed by Gus A. Brooks, secretary of the society, to the chairman of the society in every county of the district: "Returns now in show we have pooled 101,238 acres against 94,183 unpooled. We are best to declare the pool on and continue pooling until October 20. We are asked over the 30 per cent. of the pool, which is 30,355 acres, and the executive board of the Burley society at a meeting held here to-day made a formal declaration that the pool would stand, but stated that the pooling would be continued until October 20, instead of closing to-day as had been originally announced."

Meeting For Lexington.

As Fayette county has been a pivotal point in the pooling campaign, the executive board of the Burley society met in this county at Winchester to receive the reports of the county chairmen on the result in their respective districts. The meeting was held at the Burley tobacco pool, which was closed at noon to-day to allow the Burley tobacco growers to report. The reports came in by telegraph and telephone, and after carefully tabulating them and considering results, it was decided that in view of the boom which the pool has enjoyed within the past two weeks the required 30 per cent. or more would undoubtedly be secured if a short extension of time could be given.

Encouraging News.

The response of every county chairman who was communicated with was that he endorsed the recommendation of the executive board and was sure that his county would vote to sustain it. Owing to the hard fight which has been made for the pool in this county the time for the announcement of the result in this particular county was extended till this evening, and this afternoon a grand rally of the Fayette county tobacco growers was held at the courthouse.

Secretary J. D. Clark, of the Fayette county branch of the society, presided as chairman, and speeches in favor of the pool were delivered by Miss Alice Lloyd and Congressman A. O. Stanley. Hon. Joel B. Fort, Hon. W. P. Kimball and Mr. Lebus.

A debate to-night that the total tobacco acreage in Fayette county is about 5,000 acres, and that 1,800 acres of this has been pooled. The result of the pooling campaign will be decided by October 20, over 2,500 acres will be in the pool.

STORMY SESSION.

Effort Made At Paris To Defeat the Pool.

Paris, Ky., Sept. 30.—(Special.)—After a stormy session lasting for two hours 200 tobacco growers who had signed the Burley pool met in the courthouse in this county to-day to discuss the pooling campaign. The meeting was presided over by John A. Larue, member from Bourbon county of the district board, to vote against any proposition declaring the pool off. President Larue read a telegram showing that over 51 per cent. of the total acreage had been signed when motion after motion and speech after speech followed in an effort to defeat the pool. The books of solicitors who canvassed the county show that out of a total of more than 8,000 acres 2,679 acres have been signed, or about 43 per cent.

CONGRATULATIONS FOR LEBUS.

Nearly 8,000 Acres Pooled In Harrison County.

Cincinnati, Ky., Sept. 30.—(Special.)—About 800 tobacco growers assembled at the courthouse here to-day and unanimously voted in favor of the pool for pooling to-day. The meeting was by far the most enthusiastic ever held in this county. The

reports from the different precinct chairmen showed 7,800 acres signed, with 600 acres unpooled in this county. A motion was made and carried that M. C. Cox, chairman of the meeting, send a telegram to Clarence Lebus stating the unanimous sentiment of the growers of Harrison county in declaring the Lebus "wet" farmed, and also extend to him their heartiest congratulations upon the great success he has had in pooling the 1909 crop. A motion was also made and passed that there be inserted in the minutes of the meeting that there be extended to Clarence Lebus "our heartiest congratulations upon the gallant fight he has made and the victory he has achieved in the past and that we as members of the Burley tobacco society are willing to cast our lot with him in the future as our leader." After the motion was adopted the crowd sent up three cheers for President Lebus.

CANTRILL OPPOSES.

Georgetown, Ky., Sept. 30.—(Special.)—Sixty-three hundred acres out of a total of 8,000 acres in Scott county have been pooled. While the pool is a better grade than usual and will average 750 pounds per acre in this county. At the meeting held here this afternoon Cantrell opposed the pool. (Continued On Sixth Page.)

BRYAN EXPLAINS WHY HE WILL NOT DEBATE

DECLARES IT WOULD TURN ATTENTION FROM REAL ISSUES TO INDIVIDUALS.

Lincoln, Neb., Sept. 30.—In explanation of his position on the proposed debate with Senator Bailey, of Texas, at Atlanta, Ga., William J. Bryan to-day addressed a letter to Clark Howell, editor of the Atlanta Constitution. The letter follows:

"I wired you last night that I would communicate with you by letter my reasons for believing a debate inadvisable. When a joint meeting was suggested at El Paso, Tex., I replied to the effect that I am trying to aid in the election of a Democratic majority in the next Congress; that to that end I have suggested a brief, but specific, tariff plank which I ask Democratic candidates to accept, reject or amend; and that, believing a debate would tend to turn attention from the real issues to individuals, I would not consider the proposition unless it came as a personal request."

"I might add the further reason that a debate between two Democrats would accentuate the tariff differences that have existed between the two parties, and give the Republican news-

papers a chance to dwell upon Democratic weakness, which, if dwelling their time to the contest now being waged between the progressive Republicans and the standpatters.

"A debate might be pleasing to participants and entertaining to the audience, but I think that the subject which I am endeavoring to present is worthy of calm and serious consideration. Very truly yours,

"WILLIAM J. BRYAN."

SHORT INTEREST CAUGHT NAPPING

Corner In September Wheat Nets Big Profit.

Price Forced Up 14 Cents In Few Minutes.

"Squeeze" Follows Apparently Dull Month.

COUP NEATLY EXECUTED.

Chicago, Sept. 30.—The wheat "squeeze," which disturbed the entire of speculative routine with a 14-cent advance in the September option on the Board of Trade here to-day lacked none of the features of former years, when "Old Hutch," Cudahy, Partridge and others were wont to explode bombshells under the trade.

It was the cleanest cut of any corner in many years. The so-called par-

tisan deal of last spring was an open secret long before final delivery day, but what happened to-day came out of a clear sky.

September wheat had been lagging toward the end with every evidence of ebbing vitality. For a month there had been practically nothing doing in the option. An occasional ignored bid at or slightly above the market price

was the only sign of life. But the general

business was quiet. The market was

known to be a short interest out, but

that some particular individual or

clique had secured control of the long

side was not dreamed of by all not in

the deal. The trader or traders in control are

known to be about 1,000,000 bushels

in hand, while the market is short of

wheat between 8,000,000 and 10,000,000,

according to the average expert guess

on the subject in the absence of ac-

tual figures. In volume this does not

begin to compare with some deals

in the history of Trade history reveals,

but in comparison with the recent

the peep of any. No colossal win-

dings or losses are involved, although

some of the weaker shorts were hard

pressed. "The shoe strings" resources

are considered.

Futile Efforts To Escape.

The efforts of some of those to ex-

tricate themselves during the last few

days half hour were described by an

spectator as pitiful. A small sum mul-

tiplied into comparatively heavy losses

and had been advised that the National Trust Company of Washington was "a regular guarantee company." The Kentucky concern paid \$500 to the National Trust Company. It was testified.

TRIBUTE TO HIS PEOPLE.

Evansville, Ind., Sept. 30.—(Special.)—The big German day celebration which began yesterday came to a close to-night with thousands of visitors in the city from Southern Indiana, South-

ern Illinois and Western Kentucky. Gov. Thomas R. Marshall and Mrs. Marshall, who arrived last night to re-

ceive the big parade, returned to Indianapolis at 12:40 o'clock this after-

noon. It had been arranged for Gov. Marshall to make an address at Garfield

Park this afternoon, but pressing busi-

ness forced him to return to Indian-

apolis. A public reception was tendered Gov. Marshall and Mrs. Marshall at the New

Vendome Hotel this morning from 10

o'clock, and at 11 o'clock Gov. Mar-

shall made a short address. He paid

a high tribute to the German citizen-

ship, stating they are law-abiding peo-

ple and love the Constitution of their

adopted land. "They do not believe

that the Governor of the state should

stick his nose into the State Legisla-

ture and the Supreme Court of the

State. He said they do not want to

State telling people what to do and how

to live, and I am sure they are right

in this. They believe in attending to

their own affairs. Gov. Marshall said

he elected him for the job of Governor

and he will not stick his nose into

the State giving people advice about

their morals.

LARGE BEQUESTS

Made by Mrs. Rebecca S.
Turner In Her Will.

EACH OF TWO COUSINS GETS
\$30,000 IN CASH.

MOTHER-IN-LAW OF CONGRESS-
MAN JOHNSON HEIR TO \$150,000

IN THE COURTS YESTERDAY.

Some mighty nice bequests ag-
gregating over \$107,000, were made
by Mrs. Rebecca S. Turner, in her will,
dated May 17, 1904, and probated in the
County Court by Judge J. H. Taylor. The
property of an estimated value of \$300,000
is disposed of, practically all of it going
to relatives of the testator, who died
recently at an advanced age. Ernest
J. Bacon, of Louisville, is named
executor of the will, and is remembered
with a bequest of \$5,000 for "his
many kindnesses" to the testator.
Should his death have occurred before
the will was made, he would have been
to have the bequest. Mr. Bacon did not
qualify as executor yesterday.

Mrs. Rebecca S. Kovenbergh, who
is mentioned in the will, is the mother-
in-law of Congressman Ben Johnson,
and it is figured that her interest in the
estate will amount to about \$100,000.
All the relatives of Mrs. Turner are
not remembered. She explains this in
the following language: "I have no
relatives in mind, but while I am
fond of them all, I desire to provide
only for those herein mentioned."
Two wills of the property are provided
that the executor may sell any of the
personal property he sees fit, and further
that the residence and lot of the testator,
on Fifth street, between Chestnut
street and Broadway, is to go to her
cousin, Mrs. Rebecca S. Kovenbergh,
for life only, to pass at her death to
her daughter, Ella Kovenbergh.
Cash bequests of something over \$100,000
are made, and it is provided that any
of these which are not claimed shall
revert to the estate. All the real
estate of the property is to be divided
among two cousins, Robert E. Sewell
and Mrs. Rebecca S. Kovenbergh, and
the daughter, Ella Kovenbergh.

The special bequests are as follows:
To Mrs. Turner's cousin, Robert E.
Sewell, her store building and lot at
241 Fourth avenue (old number), and
\$30,000.

To another cousin, Mrs. Kovenbergh,
the house and lot at 745 Fifth
street (old number), for life, and \$30,000.

To Carrie S. Sewell, widow of her
brother, John P. Sewell, \$10,000.
To the Cave Hill Cemetery Association,
\$10,000.

To Ella Kovenbergh, \$7,000.
To Emma V. Gott, of Baltimore,
\$5,000, deceased sister of the testator.
To her husband, Joseph T.
Gott, \$5,000 each.

To her cousin, Ella W. Johnson, \$4,000.
To Laura Johnson, daughter of Ella
W. Johnson, \$2,000.

To Kate Woodington, of Baltimore,
another niece of the testator's step-
father, \$3,000.

To Jennie Blendo, of Baltimore, a
third niece of the testator, \$3,000.
To Ernest J. Bacon, of Louisville, \$5,000.

To Rebecca, Nannie and Hedy John-
son, daughters of Ben Johnson, of
Hardtown; to Margaret and Joseph
Traylor, sons of Robert, of Hardtown;
children of the testator's cousin, Robert
E. Sewell, \$100 each.

Revision of Interstate Com-

NEW FINANCIAL MEASURE NOT
LIKELY TO FIGURE.

TRIBUTE TO LATE CONGRESS-
MAN W. R. MORRISON.

VIRGINIA LOOKS DEMOCRATIC. BEEFA BENEFACITOR WRITES.

Washington, Sept. 30.—(Special.)—
Beyond laying the ground work of his
new financial measure, Senator Al-
drich will probably not go further in the
bare introduction of the bill in the
next session of Congress. The session
is known as the long one, but
the fact that Congress remained in ses-
sion for almost nine months with only
a short intermission in the summer
session has caused the President to
press the matter in December will not
extend beyond early spring.

The Waterways Commission will
also be likely to hold up its impor-
tant recommendation and the forma-
tion of a bill until December a year,
so that matter is counted out of the
way.

What will in large part engross Con-
gress at the coming session will be an
attempt to completely revise the in-
terstate commerce laws, a co-ordinating
of existing statutes governing rail-
roads, a clearer definition of the pow-
ers of the Interstate Commerce Com-
mission, and a revision of the interstate
commerce court of five members.

The plan is to make the Interstate
Commerce Commission's powers lim-
ited to the collection of the interstate
commerce taxes, as well as the su-
perintending of the collection of the
corporation tax. The court of five
members is designed for the purpose
of expediting the collection of the
taxes. At the present time the com-
mission has only one member, and
little uniformity of opinions in in-
terpreting the Hepburn law under which
the cases are brought. When a num-
ber of five members are appointed, the
commission will refer to this matter in its
forthcoming message. In addition, the
commission is to throw on the shoulders
of Congress the responsibility of de-
termining policy and recommendations for
control of interstate commerce.

TRADE MARK COUNCIL

FRIDAY.....OCTOBER 1, 1909

MOTION PICTURES OF

JONES' SHOW HORSES

TAKEN THIS WEEK AT STATE FAIR GROUNDS.

FILMS HAVE NOT YET BEEN DEVELOPED ENTIRELY.

HOPEFUL OF GOOD RESULTS.

Lawrence Jones, whose stable of show horses is one of the finest in the world, and whose enthusiasm and energy have been largely responsible for the success of the Louisville Horse show, has just consummated a unique project. In order to secure perfect "action" pictures of his priceless horses, he has had them subjected to the moving picture machine, and in a few days will provide for a small audience of his friends a picture show such as has never before been seen in Louisville.

Mr. Jones, who takes great pride in his wonderful stable, has always found it difficult to secure good pictures of his horses. In order to overcome this difficulty he made arrangements with a local artist and the latter secured the services of a Chicago moving picture camera, which he brought to his stable. In this way Mr. Jones hopes to secure a magnificent collection of action photographs of his splendid horses.

"I believe that this is the first time this method has been resorted to," said Mr. Jones yesterday afternoon, "and I am hopeful that the results will justify it. The difficulty of getting a snapshot of a horse in action, showing this action at its best, is evident, and I concluded that a series of films showing every movement would be the only way in which to secure what I wanted. For that reason I resorted to the moving pictures. I have not yet learned when I will be able to test the results of the exposure."

Mr. Jones, who has won ribbons not only at the local show, but at all the other principal exhibitions of the country, including the national show in New York, and at the Olympia show in London, which brings together the best show horses in the world, has exhibited here ever since the show started in 1900. Probably his greatest victory was won last year, when he held the reins over Gallant Lad, his splendid harness horse, and drove him to victory in the contest for the Bantock Challenge Cup, which he has held for seven years.

SUNDAY-SCHOOL RALLY

NEXT SUNDAY MORNING.

Class No. 23, of the Broadway Methodist Sunday-school, will have its regular fall rally Sunday morning at 9:30 o'clock.

The following will be the order of exercises:

Vocal solo, Mrs. Edward Patton, of New York; address, "Mobs," E. E. Mitchell; vocal solo, Thomas C. Barr.

THIS DEVELOPS

BUST, MAKES ARMS AND NECK ROUND

"If your bust lacks development or firmness you can rely on both increase and firmness from the treatment of the following: Obtain from the following: One ounce of glycerine and one ounce of cod liver oil (not cod liver oil) mixed and let stand several hours; then add a teaspoonful of lemon juice and three ounces of rosewater. Shake well and apply to the neck, arms and bust, rubbing and massaging until it is completely absorbed; then wash the parts treated with very hot water and soap and dry thoroughly. Apply the treatment morning and night regularly for several weeks or months as the case may require, and the most exquisite firmness and rounding out of hollow places will reward you."

DIVORCE SUITS

Take Up Large Part of the October Docket.

FIFTY-ONE UNHAPPY COUPLES IN NEW ALBANY.

FOOTBALL SEASON OPENS TO-MORROW AFTERNOON.

GOING AFTER BACK TAXES.

There are fifty-one divorce suits on the docket of the Floyd Circuit Court at New Albany to be tried by Judge Utz at the October term. This pretty nearly equals the number of marriage licenses granted during vacation, but some of the cases have been pending for a year.

Two divorce suits were filed yesterday, one of them being by a husband against his wife, and the other by a wife against her husband. The first case, that of James T. Fowler against his wife, Mary Fowler, for an absolute divorce. He says they were married on July 4, 1900, and lived together until June 30, 1909, when the defendant, without cause, abandoned him. He says that she was guilty of cruel and inhuman treatment of him, in that she constantly quarreled and abused him with out any cause or provocation; that she is possessed of an unmanageable temper and is continually quarreling with him and made his life miserable; that she refused to allow any of his relatives to visit him, and when they did visit him she ordered them out of the house. She also refused to permit him to have any correspondence with his relatives. Under this new law the property can be sold to the State for whatever it will bring. The amount received is placed in the county Treasury, and a title is given to the purchaser. Heretofore at delinquent tax sales, where the delinquency nearly equaled the value of the property, no one would bid, and the result was that the delinquent list grew from year to year. Prospecting Attorney Walter V. Bullett is to enter suit against all such delinquents in the hope that all will be made to pay their share of the taxes.

Back Tax Suits To Be Filed.

One hundred back tax suits will be filed in the Floyd Circuit Court at New Albany Monday against delinquent taxpayers who owe the State and county between \$40,000 and \$50,000. Under a new law the Prosecuting Attorney of counties in Indiana is authorized to bring suit against property delinquent for three years and which has been offered for sale and no purchaser could be secured. Secretary Railroad Commission.

Joseph L. Kelley, well known in New Albany, was elected secretary of the Indiana Railroad Commission. Mr. Kelley is secretary of the Democratic State Central Committee and has lived in Indianapolis for many years. Originally he came from the New Albany district and succeeded O. O. Stealey as secretary of the Congressional Committee. He was elected to the position of secretary of the State Committee.

Henry M. Dowling, formerly of New Albany, who is a member of the Railroad Commission, voted for Richard N. Sipe for secretary, but Messrs. Wood and McClure, the other members of the commission, voted for Richard N. Sipe. Mr. McClure is a Republican. In January the term of Mr. Dowling will expire, and a Democrat will be appointed to the board in his place.

Opening of Football Season.

The football season will open in New Albany to-morrow at Glenwood Park. The contest will be the Corydon eleven and the New Albany High School team. The latter eleven has been in training for several days and Coach Charles Kneifel, who is an expert at the game. The Corydon team represents the Athletic Association at the State Fair, and is made up of local fellows. It is expected the contest will be a very interesting one. A big crowd will come up from Corydon to witness it.

STEINWAY PIANOS.

THE WORLD'S ONE BEST PIANO.

The Steinway Piano

supplies the final touch of refinement to the perfect home. No home, however beautiful, is complete without a Steinway Piano either in Grand or Upright case.

Every Steinway is an original, and yet with all their individualism of tone, one thing is common to all Steinway Pianos, they are different from, and superior to, all others, and supply the inspiration for other makers to attempt imitation.

The cost of the Steinway Piano is very little, if any, higher than that of the pianos built in its imitation and whose makers claim are "just as good."

Those contemplating the purchase of a piano any time before January 1 will find it to their great advantage to make their selection now.
